Community Updates

Hoping your February was awesome! Girl Scout Cookies was a big thing for this month. I hope you got to purchase some of those yummy cookies. We had many residents and families tell us they really enjoyed the Valentines luncheon and they want to see more of that. We will have more parties for you to enjoy with each other. We had some fun entertainment this month and always looking for other events to do. Our Fat Tuesday was a well attended Donuts & Coffee in the morning and Hurricane Cocktails in the afternoon. We had our first Nature & Wildlife presentation by Larry this month. Make sure you join him for this next months program. Don't miss out on the activity meeting to provide your input on things we do and places we visit. I feel a Prescott trip coming soon. Stay tuned! Happy days to you!

NEWS

March is a month full of promise and possibility with Spring just on the horizon on March 19th! We also will see longer days in March as we Spring-Forward on March 10th - so don't forget to set those clocks ahead one hour and celebrate a later sunset! March is also National Reading Month in honor of Dr. Seuss's birthday. To honor the influential author, find something to read a bit of each day, host a book club, have a book drive for a local library, or volunteer to help kids practice their reading skills! We also have another important celebration to honor this month, International Women's Day, on March 8th. This celebration has been around since 1857 and the theme this year is "Together We Thrive". This is a day to celebrate the accomplishments of the women in our communities and honor their contributions. Check with your Life Enrichment team to see what opportunities there are to participate in International Women's Day in your community!
