Happy Mothers Day!

"A mothers love is the fuel that enables a normal human being to do the impossible." Marion C. Garretty

We would like to wish every mother a Happy Mother's Day! We thank you for your endless and unconditional love, devotion, caring, trust, friendship and most of all for being you. The impact you make or have made is everlasting.

Happy Memorial Day!

"A hero is someone who has given his or her life to something bigger than oneself." Thomas Campbell

Thank you to all those who have served or are currently serving our country to make it what it is today. You will always be remembered for your absolute and invaluable dedication to serve and protect. Let us all remember those who gave and continue to give, love or who have loved, helped us to believe or believed in us and who lent a hand so that we are who we are today.

Community Updates

Goodbye April, Hello May! In April we got to do some belly laughing with our Comedian Candy. Our entertainers have been so much fun for all! If you like to dance and have a great time, don't miss out on our Happy Hours. Our Men's BBQ was a success once again. We took our volunteers to an awesome brunch outing to show our appreciation for all of the work they do to help around our community. For those of you using our transportation services, we are using different transportation request slips for you to fill out. Please fill out all of your information before turning it in. It's warming up outside and in the building. Please do not turn off the air in the common areas. It makes it harder to cool it off. Bring a sweater with you if you don't like the cooler air. Stay hydrated!

Welcome to the month of May! We are celebrating Older Americans Month! This was established in 1963 by President Kennedy and the National Council of Senior Citizens, back when there were 17 million Americans over the age of 65. Today, there are 62 million Americans over age 65 - how incredible! Older American's Month has long been a time to celebrate and acknowledge the contributions of past and current older persons to their communities and to society. This is also a great time to remember that age is a state of mind, and today's elders are not shrinking violets, but vibrant, interesting, and fun people to celebrate! There is even a new movement called, Old People are Cool, which continues to celebrate older adults during Older Americans Month and all year long. Check in with your Life Enrichment team to see how we are celebrating Older Americans this month and stay cool!
