OCTOBER 2024

Latest News from the Ranch Estates at Scottsdale Newsletter

Neighbors in October

All afternoon his tractor pulls a flat wagon
with bales to the barn, then back to the waiting
chopped field. It trails a feather of smoke.
Down the block we bend with the season:
shoes to polish for a big game,
storm windows to batten or patch.
And how like a field is the whole sky now
that the maples have shed their leaves, too.
It makes us believers—stationed in groups,
leaning on rakes, looking into space. We rub blisters
over billows of leaf smoke. Or stand alone,
bagging gold for the cold days to come.

Grace Signature Events

Community Updates

We have had a fun September. We went strolling from the 1950's through the 1980's in a week. Thank you to all who participated in the events. This was a month for our vendors to come in and bring their wares. We hope you were able to do some shopping while they were here. There have been some new activities on the calendar that several people really enjoyed. Please make sure you are reading your calendars as they are chocked full of goodies. For those needing a little assistance with the vision side of things, there is a large poster calendar on the first floor in Transportation. There is also a magnifier machine in the library for you to use. As usual, we have an Activity meeting on a monthly basis for anyone to attend. This is for you to bring your thoughts and ideas for activities. With the holidays being right around the corner, please make sure you are calling ahead for reservations in the Dining Room. We also need to know how many guests you will be entertaining.

October is off to a great start! Jarred will be singing for you on the 4th. Pottery class is on the 5th and there are many beautiful things coming out of that class. Are you ready for Octoberfest? That is happening on the 7th with great food and entertainment by Rolf from 11:00 - 1:00. Feel free to dress up for this event. There is Beading, Bracelet making, Adult Coloring, Greeting Cards and Crafting something for Fall. The Phoenix Art Museum is presenting "Under the Influence", Larry is presenting about Wildlife and Ken is presenting "Finding America" all this month. Don't miss out on all of these great presentations. Music with Easy Sounds Band, Les Koel and more. Our last pool class is on the 26th as the weather is cooling off. We are having a Scottsdale Home School Group come to Trick or Treat for Halloween this year. More details coming soon. This month is also Breast Cancer Awareness Month. Show your support by wearing your pink! The 19th is Sweetest Day. In 1922 some Cleveland candy companies wanted to make this day a little sweeter for people by delivering treats to them. Get out and meet someone new this month! Bring a friend to a game or to lunch. Enjoy!

October is here, bringing a focus on health, staying active, fall flavors, and of course, a hauntingly good time. This month, our community is honoring two important observances: Breast Cancer Awareness Month and Active Aging Week. From October 6th to 12th, we're celebrating Active Aging Week, emphasizing the importance of living an active, healthy lifestyle at any age. We have an exciting lineup of activities designed to keep us moving and engaged, including our normal group exercise classes and more! This week is all about trying something new and having fun while promoting physical, mental, and social well-being. You may see a lot of pink this month as we mark Breast Cancer Awareness month and support efforts in early detection. In addition to these important observances, this month also brings a whole bunch of spooky silly fun with Bat Awareness Month, Apple Month, I Love Lucy Day, Bob Ross Day, and of course, Halloween. Don't be afraid to join in the fun!
