

The Graceful Connection

FEBRUARY 2025

Latest News from the Ranch Estates at Scottsdale Newsletter

It hasn't always been sunshine and rainbows
Our love story has endured its fair share of turbulent weather.

But maybe that's what I love so much about you.
When the storm felt like it was sent to break us,
you held my hand, and we waited it out together.

It was in those dark moments when I realized what I truly have.

Thank you for being my person.
The one who loves me in ways that only you can.
You're the one.
Always and forever

Community Updates

January is already in the past! Where does the time go? We started our new Total Brain Health classes and are off to a great start!

The craft class, paint class, blinging bead, bracelets and card classes are all great classes and are all free to residents! If you haven't ever tried a class, you are missing out.

We had The Phoenix Art Museum and Ken Sorenson's presentations, both of which were awesome!

And of course the favorite thing to do is enjoying entertainment several times during the month.

The games remain to be very popular here at The Ranch Estates. If you don't see the one you enjoy, let us know so we can get a game started.

BIRTHDAYS

Sergio C. - 5th

February and the start to a short but busy month. This is American Heart month and it would be great to show your support by wearing red all through the month. It is also the month of celebrating chocolate.

We will do Chocolate shakes, Chocolate Sundaes, Chocolate Bars and Hot Chocolate & Cookies. We are having a Wine & Cheese hour with piano music. Ken is presenting "February Events". This month we also celebrate Black History Month. We are playing "The Wiz" on the 8th in the theater starring Diana Ross, Michael Jackson and Nipsey Russell. We will be doing a Modern Jeopardy Trivia on the 20th. We will be showing the Superbowl in the theater and serving snacks for the big game.

There is a new game we have purchased out in the community called "Uzzle". Take the time to check it out, it looks interesting. The game will be stored on the third floor, in the game area for all to use. We are still looking for Poker players. The Valentines Luncheon will be on Friday, the 14th, don't miss out.

There is a unch outing to Ling & Louie's this month. If you are interested in going out for a meal, sign up in Transportation. Have a great February!

February is a month full of opportunities to connect, celebrate, and care for one another. As we honor Black History Month, we'll explore the profound contributions of Black Americans through music, art, and storytelling. These activities remind us of the resilience and richness of our shared history. It's also American Heart Month, the perfect time to focus on wellness. Look forward to heart-healthy cooking classes, fun fitness activities, and tips for maintaining a vibrant, active lifestyle. This month also brings moments of joy and connection with Valentine's Day on the 14th and Random Acts of Kindness Day on February 17th which invites us to brighten someone's day with a simple gesture—it's a great way to spread cheer across our community! Sports enthusiasts can look forward to Super Bowl Sunday, where we'll gather for good food and great company to watch the big game. Later in the month, Ramadan begins, offering a chance to reflect on themes of community, gratitude, and compassion. Join us in making February a month of learning, kindness, and celebration.
